GRUNDFOS 

# 5 great sales arguments

When you recommend the Grundfos SOLOLIFT2 to your homeowner customers, make sure they know what's in it for them!

The following presentation gives you 5 great reasons why they should invest in a SOLOLIFT2.

# 1. Value-adding solutions

- Lets you add valuable bathrooms, kitchens or utility rooms to your home – even in the basement
- Makes renovation and extension projects cheaper and easier

## 2. Superior design

- Compact design with integrated odour-removing filter
- Self-cleaning, so no expensive cleaning agents
- No reliance on existing pipework

# 4. Versatile range

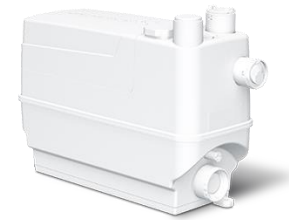

- Easily replace old SOLOLIFT+ product and also common competitor brands – with no extra piping work
- Just 5 variants cover all application areas
- YOU decide where you want to add sanitary facilities at an affordable price

## 5. Easy maintenance and servicing

- Fully self-cleaning and virtually maintenance-free
- Optional alarm that lets you know if clogging has taken place
- In case of clogging, an unclogging function lets you solve the problem with a screwdriver
- If servicing is needed, units can be disassembled, serviced and reassembled in minutes
